### PRODUCT PHOTO

### PRODUCT NAME

IGIENPLUS GEL - HAND HYGIENE GEL

### CODE

MD13

### FORMAT

1000ml

### DISPOSAL INDICATIONS & CERTIFICATIONS

### DESCRIPTION

Igienplus gel is a hand hygiene gel designed to deep clean the skin of your hands without rinsing. It works quickly, leaving your hands soft and pleasantly scented. It is useful in any situation: when you're not at home and soap and water are not available, or to remove unpleasant odours.

With 75% denatured ethyl alcohol.

## HOW TO USE

Apply a small amount of the product on your hands and rub until they are completely dry.

## WARNINGS

For external use. In case of contact with eyes rinse thoroughly with water

## INGREDIENTS (INCI)

Alcohol denat, aqua, acrylates/C10-30 alkyl acrylate crosspolymer, glycerin, phenoxyethanol, triethanolamine, parfum, limonene, amyl cinnamal, linalool, citronellol, geraniol, citral, benzyl salicylate, benzyl alcohol, hydroxycitronellal, eugenol, butylphenyl methylpropional, coumarin, alpha-isomethyl ionone.

## PAO EXPIRATION

12 months
